# Activities Handbook for Students and Parents

## I. Introduction

It is the role of the Activity Department of Northern Valley 6 - 12 to make rules that govern the spirit of competition for the school. These rules need broad community support that is achieved through communication with the student and the parent. It is our hope to accomplish this objective with this Activity Handbook for Students and Parents.

### A. To the Parents

This material is presented to you because your son/daughter has indicated a desire to participate in interscholastic activities and you have expressed your willingness to permit him/her to participate. Your family interest in our activity program is gratifying. We believe participation in interscholastic activities provides a wealth of opportunities and experiences for each of our students to grow and develop. We are concerned with the educational development of our students through activities and believe a properly controlled, well-organized activities program must meet the students' needs. It is our responsibility to maintain a program that is sound in purpose and will promote each student's personal growth. When your son/daughter chose to participate in our activity program, he/she committed our staff to certain responsibilities and obligations that are:

- (1) to provide adequate equipment and facilities
- (2) to provide training in the fundamental skills of the activity
- (3) to provide trained personnel to supervise the activity
- (4) to provide contests controlled by qualified officials

As parents of students who have chosen to participate in the extracurricular activities of Northern Valley 6 - 12, you have also committed yourselves to certain responsibilities and obligations.

Among those duties are:

- (1) to support your son/daughter
- (2) to support the program and the coaching staff
- (3) to support the training and behavior rules set forth in this handbook
- (4) to support the rules of Good Sportsmanship

Remember, a student who elects to participate in activities is voluntarily choosing self-discipline and self-sacrifice. These are the reasons we stress good training habits and citizenship. Failure to comply with the rules of training and conduct means exclusion from the activity. The concepts of self-discipline and self-sacrifice are tempered by our responsibility to recognize the rights of the individual within the objectives of the activity. There is no place in Northern Valley 6 - 12 activities for students who will not discipline their minds and bodies to rigorous competition on the playing field, in a fine arts performance, and in the classroom. We are striving for excellence and we must not compromise with mediocrity.

## B. To the Students

Becoming a member of a Northern Valley 6-12 team is the fulfillment of many students' dreams. The attainment of this goal carries with it traditions and responsibilities. These traditions were not built overnight; it takes the hard work of many people over a long period of time. As a member of the "**Huskies**", you have inherited a great tradition and we challenge you to uphold the tradition.

Our tradition is to play with **HONOR**. We desire to win, but only with Honor to our student body, our school, and our community. Such a tradition is worthy of the best efforts from all concerned. During the past, our teams have achieved their share of league and tournament championships and many individuals have set records and won individual honors. It will not be easy to contribute to this tradition. When you wear the green and white colors of Northern Valley 6 - 12, we want you to understand our traditions and be willing to assume the responsibilities that go with these traditions. The contributions you make should be an accomplishment that is satisfying to you and your family.

*Responsibilities to yourself.* The most important responsibility is to broaden yourself and develop strength and character. You owe it to yourself to develop the greatest possible good from your 6 - 12 experiences. Your academic studies and your participation in extracurricular activities will prepare you for your life as an adult.

*Responsibilities of your school.* Northern Valley 6 -12 cannot maintain its position as an outstanding school unless you do your best in whatever activity you participate. When you participate to the maximum of your ability you are contributing to the reputation of Northern Valley 6 - 12. You are providing leadership to the school and community when you

participate in any activity. So make the school and community proud of you and your efforts.

*You are a role model!* Whether you want to be or not, you have become a role model.....be a positive one, and set a good example for others to follow.

## II. Activity/Athletic Department

### A. Philosophy

The Northern Valley 6 - 12 Activity Program provides a variety of experiences to aid in the development of favorable habits, attitudes, and skills that will prepare them for adult life. The interscholastic program shall be conducted in accordance with existing USD #212 Board of Education policies, rules and regulations. While the Board of Education takes great pride in winning, it does not condone "winning at any price." It discourages any and all pressures which might tend to denote good sportsmanship and good mental health. At all times the interscholastic program must be conducted in such a way as to justify the program as an educational activity.

### B. Goal and Objective

*Goal*-The student shall become an effective citizen.

*Objective*- The student shall learn:

- 1. To work with others**- In society, a person must develop self-discipline, respect for authority, and the spirit of hard work and sacrifice. The team and its objectives must be placed higher than personal desires.
- 2. To be successful**- Our society is very competitive. We do not always win, but we succeed when we continually strive to do so. You can learn to accept defeat only by striving to win with earnest dedication. Develop a desire to excel.
- 3. To develop sportsmanship**- To accept any defeat like a true sportsman, knowing we have done our best, we must learn to treat others as we would have others treat us. We need to develop desirable social traits, including emotional control, honesty, cooperation and dependability.
- 4. To improve**- Improvement is essential to good citizenship. As a participant, you must establish a goal and you must constantly try to reach that goal. Try to better yourself in the skills involved whether on the playing field or in the classroom.

*5. To enjoy participating in the activity*-It is necessary for the student to enjoy participating to acknowledge all of the personal rewards to be derived from the activity, and to give sufficiently of themselves in order to preserve and improve themselves and the program.

*6. To develop desirable personal health habits*-To be an active, contributing citizen, it is important to obtain a high degree of physical fitness through exercise and good health habits, and to develop the desire to maintain this level of physical fitness after formal competition has been completed.

### **III. Governances**

#### **A. Board of Education**

The Board of Education is the ruling authority for the Northern Valley Public Schools. The Board of Education is responsible for the following:

- (1)** Interpreting the needs of the community
- (2)** Developing policies in accordance with State statutes and mandates and in compliance with the educational needs and wishes of the people of USD #212
- (3)** Approving means by which the professional staff may make these policies effective
- (4)** Evaluating the interscholastic activity program in terms of its educational value to the community

#### **B. Cheyenne Conference/ GNEC**

Northern Valley 6 - 12 is a voluntary member of the Cheyenne Conference League. The league was established for the primary purpose of promoting selected interscholastic activities among the member schools and assure such advantages as may be gained by a union of effort. The league encourages member schools to improve their co-curricular programs. League membership facilitates the arranging of schedules, equalizing competition, conducting league meets, and determining league championships. The league provides Northern Valley 6 - 12 the opportunity for competition without excessive travel, and with schools of similar size and athletic philosophy. Membership implies abiding by league schedules, rules, and regulations. The Cheyenne Conference League member

schools are: Northern Valley, Thunder Ridge, Palco, Western Plains, and Logan.

### **C. Kansas State High School Activities Association (KSHSAA)**

All schools are voluntary members of KSHSAA. As a member school, Northern Valley 6 - 12 agrees to abide by and enforce all the rules and regulations established by the Association. The primary role of KSHSAA is to maintain rules and regulations that ensure equity in competition for the student participants and a balance with other educational programs. KSHSAA solicits input and is responsive to requests for rule modification from member schools, appointed committees, and coaches' associations. KSHSAA attempts to enforce such rules that assure the greatest good for its members and competition is conducted in appropriate manner.

The student and parents must sign an Insurance Verification form before the student begins active participation in the activity or sport. The school will pay insurance for sports participation; **however, all expenses incurred must first be submitted to the parent/guardian's insurance company for payment. Expenses not covered by the parent/guardian's insurance can then be referred to the insurance carrier of the school district (United Healthcare). Expenses not covered by either will become the final responsibility of the parent/guardian. Accidents must be reported in a timely manner. The school insurance will not cover expenses for injuries, which occur as a result of horseplay or fighting.**

## E. Medical Release Form

(3) A student who uses any form of tobacco, illegal drugs, alcoholic beverages, etc..., at school events **is not** in good standing.

(5) A student shall not be permitted to make up work after the close of the semester for the purpose of becoming eligible. An "incomplete" shall count as a failure. However, should a student have an excused absence for day(s) missed, completing such work per school policy would not be considered as "make up" per semester. Summer School is not to be used for making up credit deficiencies for the purpose of becoming eligible.

(6) If the student competes under an assumed name, he or she shall be ineligible in all sports.

# Determination of consequences following the ineligibility and term of ineligibility will be determined by the 6 - 12 administration.

All students and parents must realize the risk of serious injury which may be the result of athletic play. Northern Valley 6 - 12 will use the following safe guards to make every effort to eliminate injury:

- (1) Prior to the start of the school year, parents and participants should be fully informed of the athletic policies in order to advise, caution, and warn parents/students of the potential for possible injury.
- (2) Coaching staff is knowledgeable in the most up-to-date techniques and skills to be taught in their assigned sport.

**(3)** Instruct the students about the dangers of participation in the particular sport and their responsibility to follow safety procedures.

## **I. Care of Equipment**

# **V. Northern Valley School District Activity Codes of Conduct**

## **Activity Code of Conduct**

The Northern Valley School Activity Department believes that athletics/activities is an integral part of the school's educational program since it provides experiences that will help young people to grow physically, mentally, and emotionally. Emphasis is placed on educating students through athletics/activities as well as teaching athletic/activity skills.

Participation in activities is not only beneficial in terms of better health, physical fitness, and improved motor skills, but also is important in other intangible areas as well. The desire to succeed and to excel should be instilled in students as well as helping to develop better self-discipline and emotional maturity. Respect for authority, respect for the rights of others and developing high ideals of fairness in people-to-people relationships are desirable learning outcomes to be achieved through activity conduct.

Winning, involving the spirit of competition, is an immediate objective of all activity contests, but is not an end in itself. The desire to win can and should be used to stimulate the achievement of ultimate objectives **(Sportsmanship and Fair Play)**.

The eligibility of any student(s) involved in ongoing legal action in which they are accused of a crime will be look into by the administration and coaches involved and dealt with on a case by case basis.

Here at NVHS and NVMS, our main objective is to instill in our student participants the concept that success is brought about by hard work, commitment, sacrifice, preparedness, and doing the best that one can in any situation. We sincerely hope that these traits are carried over to not only classroom work, but also in later endeavors.

## **Interscholastic Activity Code of Conduct and Contract**

The athletic/activity program is an integral and important part of the school's total educational program. Participation in the Interscholastic Activity Program is a privilege extended to NVHS and NVMS students. This is why we, as a school district, are looking for participants who are willing to make a commitment to the activity program.

We encourage role modeling by our participants in order to set positive examples for the younger students to follow. This is best accomplished by the strict adherence to the activity code of conduct, whether it is the avoidance of drugs and alcohol or displaying proper conduct and respect at all times.

In preparation for signing the activity contract, it is necessary to adhere to the responsibility of abstaining from drugs, tobacco and alcohol. Signing the activity contract requires you to make that commitment to yourself, your team, and your school.

Northern Valley Schools and its activity department wish all participants the best of luck during their athletic/activity career. We hope that it is an enjoyable and rewarding experience for you. We are proud to have you represent us in our Interscholastic Activity Program.

## **Interscholastic Activity Rules**

This section describes the rules that participants must follow and parents should understand. Please keep this document for reference, and if there is a question about any rule, contact the Athletic Director for clarification.

### **Activities**

The extra-curricular activities governed by this code of conduct are for students who represent NVHS in competitions or performances in grades 6-12. Some of these activities could be considered co-curricular as well as extra-curricular but all activities are defined as extra-curricular for the purpose of this code of conduct. *Examples of activities covered by this code of conduct include, but are not limited to the following:*

**KSHSAA Sanctioned Activities: Cross Country, Football, Volleyball, Basketball, Golf, Track and Field, Dance and Drill, Cheerleading, Forensics, Vocal, Band, Student Council, KAY, Scholars Bowl**

**Enforcement of the Code of Conduct**

The rules contained within the code of conduct apply to students in grades 6 -12. The rules contained in this code of conduct are in effect for the entire time a student is participating in an activity within the current school year. *During the time a student is participating in an extra-curricular activity, the code of conduct is in effect 24 hours a day, 7 days a week. The rules within the code of conduct are enforceable at all school and non-school activities and events.* The first meeting or practice in the current school year defines the beginning of the enforcement period for each activity. The last meeting, practice, formal activity, or competition defines the end of the enforcement period for each activity. A competition is generally defined as any formally scheduled game, match or meet between other teams or schools. Events include all formal performances or exhibitions by an extra-curricular or co-curricular group that occur outside the regular school day.

*In the case of yearlong activities* the enforcement period is divided into two semester activity periods. Disciplinary consequences will carry over to the next semester when the consequence(s) cannot be served within the current semester (disciplinary consequences may include suspension of the student from a competition or event).

**Guidelines for Administration of the Code of Conduct**

*Due Process*

A student will be given the opportunity to respond to allegations when he/she has violated a rule contained in the code of conduct. When a school administrator has reasonable belief a student may have violated a condition of the Code of Conduct the administrator or designee is responsible for investigating the allegations.

*Documentation*

School administrators are required to provide written notification to the student and parents/guardian when it has been determined that the student has violated a rule within this code of conduct. The notification will identify the rule that has been violated and the consequence given as a result of the violation.

Copies of the notification will be provided to the director or coach of the student

## **PROCEDURES**

1. When an incident is brought to the attention of an administrator by law enforcement, faculty, or staff; facts will be gathered and a determination of whether a violation has occurred will be made, and assessment of penalty, if appropriate, will be given.
2. The student and parents will be notified of the decision in person or, if possible, by telephone with written confirmation to follow. The written confirmation will notify the student and his/her parents of the appeal procedure and will include a written statement of the violation.
3. The student or his/her parents may appeal the decision to a Review Board by submitting a written request to the Principal within five calendar days of the initial telephone or written notification. The Review Board will consist of an administrator (other than the person who initiated disciplinary action), the appropriate coach (es)/advisor(s) and a student success coordinator. The administrator presenting the evidence and the student will attend. The student's parents will be invited to attend. The student and his/her parents will be notified of the date, time, and place for the Review Board meeting in person or by telephone, if possible, with confirmation in writing.

An appeal to the Review Board, made within the five-day limit, will temporarily stay the penalty until after the Review Board decision. School personnel, the student, and parents will cooperate so that the Review Board meeting can be held as quickly as possible and the matter can be resolved. If the Review Board affirms that a violation has occurred, the penalty will be implemented by the building administrator on the day the Review Board decision is announced.

A final appeal may be made to the Board of Education. The appeal must be submitted to the Superintendent in writing within five calendar days of verbal notification of the student's violation. There will be no stay of the penalty pending this appeal. The Board of Education may only remove the violation from the student's record and discontinue a penalty.

NOTE: The Board of Education will only review the procedures of the case including the Review Board appeal. It may or may not decide to hear an appeal before the Board based on its review of the case.

### **Chemical Free Rules:**

A student who uses or is in possession of any form of tobacco, illegal drugs, alcoholic beverages, etc... at school or school events is not in good standing.

**ANY VIOLATION OF THE CHEMICAL FREE RULES WILL AUTOMATICALLY RESULT IN THE LOSS OF YOUR RIGHTS TO CAPTAINCY AND ALL POST SEASON AWARDS. IF YOU MEET THE REQUIREMENTS FOR YOUR LETTER, YOU WILL RECEIVE IT.**

## **Penalties for Violating the Chemical Free Rules**

## **VI. Basic Activity Policies**

### **1. Dual Participation**

- A.** The following points are recommended as policy for students who wish to participate in more than one activity in the same season: Parents must make a written request to the 6 - 12 principal. The student must make a primary commitment to one

sport; that is, in case of schedule conflicts, the student will participate without exception in the sport where the primary commitment is placed. Coaches of both sports in which the student shows interest must agree, in writing, to the dual participation of the student.

- B.** A student may participate in as many activities as long as there is no conflict between the sport or activity according to the coach or sponsor.
- C.** Quitting a sport/activity should be discouraged but if it is necessary the following procedure is to be used:
  - (1) consult with the head coach or sponsor of the activity
  - (2) report your situation to the Activities Director
  - (3) check in all equipment issued to you
- D.** Transferring from one sport to another during the season is discouraged but if the coaches/ sponsors agree to the transfer it will be approved.
- E.** Equipment checked out by the student is the responsibility of the student. Lost and/or damaged equipment will be assessed at the replacement value.

## **Insurance Awareness**

Expenses not covered by the parent/guardian's insurance can then be referred to the insurance carrier of the school district (Student Assurance Services, Inc.).

**Expenses not covered by either will become the final responsibility of the parent/guardian. Accidents or injury must be reported in a timely manner. The school insurance will not cover expenses for injuries, which occur as a result of horseplay or fighting. In case of accident or injury, coaches/sponsors and other certified school personnel are hereby authorized to provide first aid and arrange for such other emergency treatment they consider necessary.**

**Permission to Participate**

This Warning, Agreement to Obey Instructions and Release is applicable to all sports and activities at Northern Valley Schools.

I, the UNDERSIGNED, having read and understood the Warning, the Agreement to Obey Instruction, and the Release, do agree and consent to the participation of undersigned dependent in sports and organized activities at and for Northern Valley Schools.
